Christian Education

The Northeast Baltimore Bible Institute and College will sponsor its first Dinner Day on Saturday, May 1, 2010. The dinner will be held at the East Baltimore Church of Christ located on Belair Road. Truitt Adair, President of Sunset International Bible Institute and Walter Maxwell, minister at the Roosevelt-Freeport Church of Christ in Long Island, New York are the keynote speakers.

Christian education is extremely important for intellectual and spiritual growth. In order to experience a quality Christian life, one needs to be continually trained and educated with the truths that can only be taught through the true knowledge in the Bible. In 2 Timothy 2:2, Paul wrote, "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." This is the case in what prophets did for other prophets; in what Jesus did for the apostles; and what Paul did for Timothy.

Christians are especially encouraged to improve their education as Paul said in his letter to Timothy, "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (2 Timothy 2:15) Therefore, not only will a Christian education provide a place for Christian fellowship and a source of spiritual knowledge, it will also provide an accurate understanding and greater appreciation for the word of God. Take time and make an effort to support Christian Education.
